

Sailrite

Ultrafeed® Kickstand

Installation Instructions

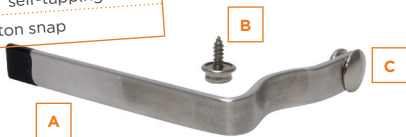

#100990A

www.sailrite.com

103555

A	kickstand
B	3/8" self-tapping stud
C	button snap

1. Take the machine head out of the case.
2. Install 3/8" self tapping stud **B** so that it's outer edge is 1/8 inch outside the right-side hinge hole **D** and is in-line with the placement of the hinge screw **E**.
3. Snap kickstand in place to support machine when hinged back in portable case. Remove kickstand to close case.
