

Stocking Stuffers

SAILRITE TIDBIT

This Christmas, THINK SUNBRELLA! Imagine bright festive Sunbrella stockings that do not fade or droop from the heat of the fireplace. They are overflowing with gifts because Sunbrella is so strong and durable. Don't worry about "Santa's" cookie and milk stains because they are easy to clean! And to top it all off, these breathe able stockings would be the perfect hiding place for a new Christmas puppy! Here are a few options to consider:

The possibilities for a Sunbrella Christmas are endless - beautiful table runners, fade-proof stocking, cleanable tree skirts, and reusable wrapping paper! Even better news - Sunbrella will last for many holiday seasons to come!

2009 CHRISTMAS STOCKING STUFFERS:

Great stocking stuffer ideas for the special sailor in your life!

Ronstan RF4036 Clear Start Regatta Watch (#102651)

A rugged stainless steel sailing watch that's perfect for daily wear both on and off the water. Complete with every function a racing sailor needs for the perfect race start! Features a waterproof construction with large displays and operation buttons, multiple countdown and count up sequences, and an instant synchronization feature should a preparatory signal be missed. Also includes time, calendar, alarm, and stop watch displays.

GILL Pro Sailing Gloves (#102948)

The ultimate sailing glove with patented pre-curved fingers with seamless construction for extreme durability, dexterity, and longevity. Tacky, non slip palm and finger reinforcement for both wet and dry grip. Generous length thumb and index finger for maximum protection. Durable stretch woven fabric on back for more flex. Inside wrist closure prevents false starting of watch.

Sail & Canvas Repair Kit (#102571)

A great gift for the do-it-yourself sailor! This kit contains the essentials for both sail and canvas repair including UV Dacron repair tape, sewing palm, Tear-Aid patch material, pre-waxed twine, sewing machine thread, deluxe seam ripper, and wooden needle case. Comes in a floatable waterproof box for dry storage and protection from the elements.

Harken Gale Storm Gray Sunglasses (#102659)

Reviewed by Practical Sailor as the Budget Buy for sailing sunglasses in 2009! Polarized polycarbonate brown/rose lenses enhance optical clarity, block 100% UVA, UVB, and UVC rays, and absorb 99.9% reflected glare. Exterior flash mirror coating, interior anti-reflective coating, and anti-scratch coating combine to eliminate reflection and reduce glare. Wrap-around frame provides a close fit to protect against wind, water and debris.

Kestrel 2500 Pocket Weather Meter (#100632)

Predict weather activity with this lightweight, waterproof weather meter that measures a variety of atmospheric conditions such as wind speed, temperature, wind chill, altitude, barometric pressure, and time. Features a three-hour pressure trend indicator to help you predict fish and wildlife activity. Includes slip-on protective cover, neck lanyard, and battery.

Harken Sailcloth Wallet (#102656)

Sailcloth billfold wallet with five card slots and clear identification holder. Available in white, black, or yellow.
