

Marking Pencils Comparison Chart

Looking for the right marking tool to help you pattern your next sewing project? These handy charts will help you determine which pencil will best suit your needs. The charts are organized by surface or material type and compare each type of marking pencil available at Sailrite. Pencils are rated on their ability to mark on each fabric or surface and how easy those marks are to remove. Want to learn more about marking pencils? See our post “How to Pick the Best Marking Pencil” #X-HT-300011 at Sailrite.com.
