TOP NOTCH®

Top Notch is a 100% solution dyed polyester fabric with a fluorocarbon finish, resulting in a fabric that is breathable, reversible, water repellent and has a luxurious hand. As the flagship product in the Top Notch family of premium solution dyed fabrics, it will provide exceptional colorfastness. Top Notch is the ultimate fabric that combines strength, abrasion resistance, dimensional stability and UV resistance. Top Notch can be used for many outdoor applications such as marine tops, trailer covers, awnings, gazebos, canopies, patio furniture and anywhere that a reversible and breathable fabric is needed.

Top Notch, raising the bar on solution dyed fabrics.
